Report of State Tax Commission
DIVISION OF MUNICIPAL ACCOUNTING

CONCORD, NEW HAMPSHIRE,

February 12, 1948.

Board of Selectmen,

Exeter, New Hampshire

Gentlemen: Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Exeter covering the fiscal year ended December 31, 1947, which was made by this Division in accordance with the vote of the town.

Scope of Audit

Included in the audit and examination were the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, Library Treasurer, Clerk of the Municipal Court, Trustees of Swasey Parkway and Trustees of Trust Funds.

Financial Statements

Comparative Balance Sheets—December 31, 1946—December 31, 1947: (Exhibit A)

Comparative Balance Sheets as of December 31, 1946, and December 31, 1947, are presented in Exhibit A. As indicated therein the Net Debt decreased during the year by $9,946.06.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the town during the year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C and D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1947, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net overdraft of appropriations of $14,341.91, less a net revenue surplus of $6,015.83, resulted in a net budget deficit of $8,326.08.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1947, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance, as of December 31, 1947, is indicated in Exhibit F.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

General Comments

Parking Meter Account:

A summary of the parking meter account is presented in Exhibit Y. All meter collections and fines have been deposited in a special account at the bank, out of which payments to the meter company on account of the meter contract have been

made. Total meter collections, fines and insurance to December 31, 1947, amounted to $7,985.62. Payments to the Magee Hale Park-O-Meter Company, representing 75% of collections, amounted to $4,317.60, plus the balance of $750.84 due on December collections and paid in January, 1948. This left an actual balance in the meter account of $2,917.18, which appears as an asset item in the balance sheet.

Expenditures made out of the general funds of the town during the year on account of parking meters amounted to $3,255.52. This was $338.34 in excess of the balance in the parking meter fund of $2,917.18, consequently the amount of such excess has been set up as an asset item in the balance sheet under the heading of "Accounts Due Town."

The total amount of the meter contract was $16,290.00. Of this amount, $4,317.60 was paid during the year, leaving a balance due the Meter Company on December 31, 1947, of $11,972.40. This will be entirely paid out of collections.

Conclusion:

The accounts and records of all town officials were found in good condition and the accounting procedure conformed to the uniform system prescribed by this Division.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report.

We extend our thanks to the officials of the Town of Exeter for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, *Director*,
Division of Municipal Accounting,
State Tax Commission.

HERBERT E. HUNT, *Auditor.*

Forest Fire Problem Serious

The year 1947 was one of the worst periods of drouth and forest fire occurrence in eastern United States history. Lack of water ruined crops, lowered water levels, and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires, which were mostly well controlled and kept within bounds. Only the high winds, beginning on October 23d, caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned deeply in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fires might easily have been in the midst of the most serious conflagrations we had.

Governor Dale closed the woods, effective at midnight of October 15th. With the blow-up of October 23d, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and all those who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped, rose to the occasion and met the test in whatever town their services were needed.

It is now time to take stock everywhere of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town fire plans and training programs for wardens, deputies and other key men in each district are being arranged or in progress. If equipment and tools are insufficient properly to equip the available man power in each community with the right tools for the job, they should

be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one-half their cost. Good equipment is important and can help greatly to keep both damage and fire costs at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be in effect again this year as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented, 98 percent of all fires being due to human carelessness. Be sure to get a permit for any fire in or near woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the travelling public to keep from throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

MERTON A. WEBBER,

District Chief.

Public Library Report

Adult Department:

It has been the policy of the library at all times to render the best possible service to its patrons. The book committee has been confronted with rising costs but has endeavored to purchase the best fiction and non-fiction available within the appropriation given them.

It is extremely gratifying to announce a circulating of 43,811 which represents an increase of over 5,000 for the year 1947: adult, 3,685; juvenile, 1,469. The total circulation was adult, 31,275; juvenile, 12,536.

We sincerely hope that more citizens of Exeter will take advantage of the library privileges.

Juvenile Department:

The children's department was fortunate in receiving a bequest from Miss Harriet Tilton, who passed away recently. With this money a radio victrola was purchased and a new book case has been ordered. The story hours and special programs continue to be a source of pleasure for the youngsters.

The following programs have been enacted:

January — U. S. Postage Stamps Centennial. Talk by Dr. Oscar Gilbert and display of stamps from Nova Scotia.

February—Story hour. Stories read by Mrs. Iva Higgins.

March — Puppet Show. Given by Mrs. Arthur Weeks, Mrs. Herrick Macomber and Miss Lucetta Sharpe. Two shows were given and about 200 attended.

Hobby Show — Displays shown by a number of children and stories told by Rev. Robbins.

May — Puppet Show and Story Hour. Stories told by Phyllis Meras and show given by Butler Coleman.

October — Story Hour and stamps displayed by Stephen Rhoades and Robert Easton; recorded music and stories read by librarian.

Story Hour and minerals and sea shells displayed by Robert

Lloyd and John Funkhouser. Recorded music and stories read by librarian.

Story Hour — Stories read by Mrs. Rohr and recorded music.

November — Book Week Program. Guessing contest; prizes given by Mrs. Molloy; recorded music; poem written and recited by John Merrill.

December — Christmas Program. Stories told by Rev. Robbins; recorded music; candy bags presented to children; attendance over 200.

Staff:

There has been one change in the staff this past year. Miss Lucy Ross has replaced Mrs. Chilson Leonard. The latter will continue to do substitute work when necessary.

I express my sincere thanks and appreciation to the trustees and staff for their splendid help and cooperation.

Respectfully submitted,

HARRIETTE M. PIRNIE,

Librarian.

Robinson Female Seminary

PRINCIPAL'S REPORT

To the Board of Trustees of Robinson Seminary:

As a report for the year ending January 31, 1948, the writer submits the following:

Registration to January 31, 1948:

Junior High	76
Senior High	173
Total	249

Discharges to date	11
Present enrollment	238
Enrollment, 1947	249

Number of Tuition Pupils:

Junior High	34
Senior High	48
Total	82
1947	80

Changes in Personnel:

Mr. Frederick W. Carr replaced Miss Adelaide Coombs as teacher of History and Civics. Miss Elizabeth Hagar and Miss Phyllis Nash, music and art supervisors, were succeeded by Mrs. Anna Reed and Miss Nancy Kelleher.

Class of 1947:

The present status of the members of the class of 1947 shows the scope of the preparation offered by the Seminary.

Post-secondary education:

College or university	15
Junior College	1
Secretarial School	4
Training School, nursing	2
Post-graduate	1

Employed:

Stenographers	5
Waitresses	2
Clerk or telephone operator	2
Married	3

Although a majority are taking work calling for academic subjects, the Seminary does not think of college admission as the primary goal or the measure of its service. In the class of 1948 there are eleven (11) taking the Academic course, ten (10) Commerical or Secretarial, five (5) Home Economics, and sixteen (16) the General Course. The opportunities offered by successful completion of any of the above curricula are quite numerous, but only by thoughtful work can anyone progress to the institutions of higher learning.

It must be remembered by all that it is by the record of the graduates that the value of a recommendation from a school is determined. Standards must be maintained by the school in both academic and vocational training to prepare students properly for the standards to be met in the field of higher education or employment.

Courses of Study:

There has been one addition to the list of courses offered at the Seminary, namely the one in driver education, made possible by the grant of a dual-control car through the AAA and the local dealer, Jack Smith. Fifteen seniors are taking advantage of this opportunity under the supervision of Mrs. Margaret Bennett, who qualified by taking the special course offered for instructors at Keene Teachers College.

A special effort has been made this year to offer a non-suit course in typing to those seniors who have the time to devote to an added interest. Credit cannot be given for less than the prescribed five periods but one should think of the subject in terms of its value to the individual rather than in terms of credit.

Plans are being formulated to supplement the class work in secretarial subjects with practical experience for seniors in local offices. This arrangement will give the students a valuable glimpse of the business world and it may lead to employment for the most competent graduates.

Music Activities:

The Glee Club and Orchestra under the leadership of Mrs. Reed continue to offer excellent opportunities for valuable and enjoyable experience, and the same can be said for the band, directed by Mr. King. The four presentations of the Christmas cantata at both high schools and for two local organizations maintained the standard set by the Glee Clubs in previous years. Priscilla Comfort, Dorothy Crespi and Jane Wiggin will represent the Seminary at the New England Music Festival. This is an honor to which others should aspire.

Parents are urged to encourage the students to take advantage of the opportunity for instrumental lessons made possible by the school department because it is only by continued support that the band and the orchestra can exist. Vacancies caused by graduation must be filled in order to perpetuate the organizations.

Testing Program:

The Iowa Test of Educational Development was administered in October to the four upper classes and profile records of the results were received. The results, made known to the students, gave objective evidence of their relative standing as compared to others in the same grade. Later tests can reveal improvement made.

The Kuder Preference Test is being given to help determine the degree of the student's preference in each of nine fields of interest. With this information at hand, advice can be given to the student with reference to the occupations in the particular field of interest. Other tests will aid in the estimate of ability which must also be considered.

Medical Inspection:

Dr. Oscar B. Gilbert and Miss Julia McQuade conducted the annual medical inspection, and Miss McQuade has been very helpful in following up recommendations for treatment or correction of defects found at time of the examination. Records of examinations are carefully kept at the office of the school nurse.

Parent-Teacher Association:

The faculty at Robinson Seminary stands ready to support the newly organized Parent-Teacher Association. Close co-operation of parent and teacher enables both to accomplish so much more for the welfare of the young people who deserve the best that can be done for them.

Respectfully submitted,

JAMES A. PIRNIE,
Principal.
